ENVOY / WEBMD Hospital / Medical Payer List

All commercial group insurance claims require that certain fields be completed to process a claim (generally contained on the insured's I.D. card). Special "cardless" procedures, however, can be used to submit a claim. When adopted by a payer, these procedures allow the submitter to substitute certain standardized numbers or characters (such as "999999" for claim adjudication) for selected required fields, when information is not available. Also required are the insured's I.D. number (usually Social Security number or employee I.D.) the payer I.D. number (carrier's I.D. number) and often the group policy number. The employer or group name should still be entered. TO GUARANTEE DELIVERY TO THE APPROPRIATE PAYER, PLEASE SUBMIT ALL AVAILABLE INDENTIFYING INFORMATION, AS OFTEN AS POSSIBLE.
